

# ReadWorks Article-A-Day™

Build knowledge, vocabulary, and stamina with a routine that students love.

Sets of 6 to 9 articles that are related by topic

Nonfiction topics to build knowledge

For grades Kindergarten to 8<sup>th</sup>

Research-based classroom routine with writing & oral sharing

All you need is 10 minutes each day for the routine. Students will gain the most by reading **4 or more articles** from an Article-A-Day set each week and doing the routine for **15 or more weeks** in the school year. Article-A-Day can be done digitally, printed, or projected!

Plan an entire year with our K-6 Scope & Sequences: <https://www.readworks.org/scope-and-sequence>

## Step 1: Set the purpose for the routine

- *"Words are where humans store knowledge. So we will build our knowledge by reading these articles. We will also increase our vocabulary, improve our reading stamina, and enjoy reading every day."*

## Step 2: Students read or listen to an article

- If students cannot read independently, they can listen to the audio, or you can read the article aloud.

## Step 3: The "Book of Knowledge"

- Students write or type two or three things that they learned from the article and would like to remember in their Books of Knowledge.
- If students cannot write yet, they can draw their responses.

## Step 4: Share Knowledge!

- Ask a few students to share with the class what they learned from reading.
- Create a "Class Book of Knowledge" where you record this information. You can do this in Assignments & Progress or on chart paper.
