

# 3 Ways **ReadWorks®** Can Help You Differentiate

\*Audio\*

\*StepReads\*

\*Leveled Passages\*

---

## Audio

---

ReadWorks offers **Audio Versions** of ALL of our:

- Reading Passages
- Paired Texts
- Article-A-Day™ Sets
- Question Sets
- Vocabulary Supports
- Vocabulary Activities

ReadWorks offers **Human-voice Audio Versions** of over 1,300 Reading Passages!

- Features real human voices reading with fluency and expression

---

## StepReads

---

ReadWorks offers **StepReads** for over 320 Reading Passages.

- StepReads are less complex versions of original articles
- They are carefully handwritten by skilled writers who adjust parts of the original text to remove barriers to comprehension.
- They give your struggling readers the opportunity to learn the same important knowledge and vocabulary words as on-level readers.

---

## Leveled Passages

---

ReadWorks offers **many passages on related topics at a range of levels** to help you differentiate. Easily filter for passages using our:

- Keyword search bar
- Topic/subtopic filters
- K-12 grade level filters
- Lexile filters
- Text type filters
