

Fact and Fiction

A Pig and His Wig

What do we know about  ?

- Pigs are both smart and clean.
- They have round noses and short legs.
- Farm pigs eat grain. Wild pigs use their super sense of smell to find food, like reptiles and mice.
- Mother pigs provide wonderful care for their piglets.

Mother pigs teach their piglets how to survive.

What do we know about  ?

- Tim's owners are Liz and Max.
- Tim loves to wear wigs.
- Tim thinks of many ways to hide his wig.
- Tim was clever to plan a wig parade to show Liz and Max that wigs are fun.

How are  and  the same?

- Real pigs and Tim both have short legs.
- Real pigs and Tim are both smart.
